Too often, a teacher's accomplishments go unnoticed that truly deserve recognition. Many teachers work hard in and out of the classroom to help students succeed. Sometimes, that success can be seen through a student's involvement with a Career and Technical Student Organization. HOSA-Future Health Professionals offers this opportunity to all students who are interested in a health career.

The purpose of the HOSA organization is to develop leadership and technical HOSA skill competencies through a program of motivation, awareness and recognition, which is an integral part of the Health Science Education instructional program. This happens through Local Chapter Advisors leading by example, and assisting students to find their individual attributes to become future health professionals.

At the **Missouri HOSA 2020 State Leadership Conference**, one Local Chapter Advisor will be recognized for his/her contributions to the organization, his/her local chapter, and student members. Please take this opportunity to nominate a Missouri HOSA Local Chapter Advisor and share his/her accomplishments! If selected, the Local Chapter Advisor will be nominated for Local Advisor Recognition at the International Leadership Conference later in the summer. This will require the Local Chapter Advisor to complete an application in early May.

Please return the enclosed Missouri HOSA 2020 Local Chapter Advisor of the Year application by February 15, 2020, to Rachel Fisher via email at Rachel.Fisher@dese.mo.gov.

If you have any questions, please feel free to contact Shelly Wehmeyer at 573-751-3407 or Rachel Fisher at 573-751-7965.
